15. **ECO-CLUB SCHOOLS:**

The concept of Eco-clubs has started in this Division in the year 2001 by Forest & Environment Department, Government of Odisha. The Eco-clubs are constituted in 100 schools and the financial assistance given at that time was Rs.500/-. In 2003-04, further 50 schools are included and the financial assistance is enhanced to Rs.1000/-. The number is enhanced to 250 in the year 2006 and the assistance is increased to Rs.2500/-. The eco-club schools are mainly taking up plantation activities, cleanliness drive, awareness rallies, supply of water during summer, various competitions in the school relating to environment, etc.

(16) DIST. ENVIRONMENT SOCIETY:

The District Environment Society (DES), Jharsuguda has been reconstituted in Jharsuguda district on 25.01.2008 with an objective of environmental conservation and preservation. The membership is open to all individuals actively interested in Environmental conservation. There are categories of membership viz (1) Life Member (2) Annual Member (3) Institutional Members and (4) Corporate Member. The membership fees of the members is Rs. 3,000/-, Rs.100/-, Rs. 5000/- and Rs.1,00, 000/- respectively.

All the industries/ Mines authorities are asked to take up avenue and block plantations in the areas adjoining to their industrial premises. The block plantations are raised to serve as green belt around the industries. With lot of persuasion, some industries have come forward to do the plantations. The Forest Department personals are providing the technical know-how and also facilitating the availability of seedlings from the decentralized nurseries.

A Plantation Monitoring Committee has been constituted as per direction of the Collector, Jharsuguda with the mandate to inspect mines and industrial houses to monitor the progress of plantation done by them both inside and outside their premises. The committee is headed by Dr. D.R.Naik, Honorary Wildlife Warden of Jharsuguda district and includes members like ACF of this Division, Shri Prahlad Naik. Chief Coordinator, District Eco Club Coordination Committee, members from State Pollution Control Board (Jharsuguda Regional office), Deputy Director, Horticulture etc.

As per the report of the Committee, the following mines have been planted seedlings during the year, 2019-20 in their outside & inside premises.

| Sl No. | Name of Industries/ Mines | Total land Acquired (Ac) | 33.3% of area (Ac) | Land planted (Ac) up to 2014-15 | Plantation Achieved during 2019-20 | | Total area planted inside premises (Ac) up to 2019-20 | Total nos. of saplings planted during | Remarks/ percentage Achieved |
